Dear Mr. Adams,

I hope that this email finds you well. This is a long overdue note that I have been meaning to send. My family bought a home on N. Laurel in December, 2018. We are full time residents, and my husband and I are incredibly grateful to be raising our three young children here. Our son (4) and twin daughters (2) continue to explore everything and anything! They have recently begun riding bikes, and as a result I am (often) floored with anxiety by cars speeding down our street.

I have spoken to neighbors who have reached out about stop signs on Laurel and 7th street, or speed limit signs to help deter drivers from racing down the road. I know that there are a lot of priorities in the city presently, however I am hopeful that you will consider making our street safe as one of them.

Thank you for the important work that you do!

Wishing you and your family health and happiness in the coming New Year.

With Gratitude,

Kristin Freund
